Exciting news: sailing forward as TST SUN – Thor Shortsea & Terminals

Dear Customer / Business Partner,

We are pleased to share exciting news: TSG Shortsea AB and TSG Terminal UK Ltd are entering a new chapter as part of **TST SUN – Thor Shortsea & Terminals**, a new independent shipping, terminal and logistics group following a management buyout from Thor Svecon Group.

This is a positive and important step for our business. It gives us a clearer identity, increased focus in the shortsea & terminal segment and stronger platform to continue developing our services around our customers' needs.

What stays the same? Our products, services, agreements, operations and existing contacts remain unchanged. You will continue working with the same experienced team and the same reliable solutions, now with renewed energy and focus.

What will change? TSG Shortsea AB and TSG Terminal UK Ltd will change their legal company names. The exact effective date is being finalised, and we will provide formal confirmation together with updated company, contact, website and social media details in due course.

No action is required from you at this stage. We will ensure a smooth transition and keep you informed well in advance of any practical updates.

We are excited about this next step and look forward to continuing and further developing our cooperation with you as **TST SUN – Thor Shortsea & Terminals**.

Best regards,

TST SUN
